LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Drum Machines → Akai → Akai XR20. The Akai XR20 is a different kind of drum machine. Roland has rock and dance covered. The Boss DR-880 is arguably the best drum machine available for hard rock enthusiasts and those who like "music with a guitar in it". Starting with the TR series and continuing on to their modern grooveboxes, Roland also has a lock on dance grooves.
