Such reading focuses on what lies within the four corners of the text. (Revised Publisher's Criteria, p. 4). The document goes on to explain: Text-dependent questions do not require information or evidence from outside the text or texts; they establish what follows and what does not follow from the text itself.

Four Corners is my favourite 4-skills book because the topics are interesting and the activities are engaging and interactive. It's focused almost exclusively on real-life communication between students, which is definitely my style. It should be at the top of any list of the best ESL textbooks in my opinion. It really is that good!
