Use of heroin peaked between 1969 and 1971, marijuana between 1978 and 1979, and cocaine between 1987 and 1989. A major decline in the use of opium started after the Harrison Act of 1914 was initiated. An overarching effort to impose mandatory penalties for federal drug crimes took place in the 1980s. This caused many drug crimes that were common at the time to carry mandatory minimum sentences of 5 to 10 years in a federal prison. In 1996, California voters passed Proposition 215, legalizing th
