Interpreting Historic House Museums is the third volume to emerge from a series of symposia at the McFaddin-Ward House. American Home Life, 1880-1930: A Social History of Spaces and Services, was co-edited with Thomas Schlereth, and The Arts and the American Home, 1890-1930, was co-edited with Karal Ann Marling. Donnelly edits and introduces the present volume, and does so very capably.

Interpreting Historic House Museum. Jamie Credle Autumn 1999, Volume 9, No. 1. Anyone who has taken “the tour” at more than two historic house museums knows the variety and quality of site experiences is striking and telling. The American house museum culture offers everything from the structured sophistication of a Winterthur tour to the folksy and often improvised guided adventure delivered at “Every Home Historic House USA.”.

Interpreting the Historic House Museum | Museum-Ed

Photo credit: Paul Revere House. History museums of all types are facing the reality of a society where the meanings of inclusion, diversity, access, and equity are changing; the fact is, audiences are changing, too. The challenge of attracting and welcoming increasingly diverse audiences has proven particularly difficult for historic house museums, which have long been criticized—often with good reason—for having outdated, narrow, and static interpretation.
