Honda makes great engines - but they do cost more on the mowers that have them especially Honda mowers. Briggs and Stratton engines are generally cheaper but are still good engines. For consumer use - do the maintenance and they will last as long as the lawn mower. I have had Briggs OHV 190cc engines on both my last 2 Toro mowers.

Which is the better engine for lawnmowers, Briggs and ...

Your Honda lawn mower is designed and manufactured to precise specifications to ensure years of troublefree operation. This includes the fuel system. However, the properties of gasoline can quickly lead to stale fuel causing starting or running problems and, in some cases, damage to the fuel system if precautions are not followed.
