Mod Minecraft & Learn Code - LearnToMod Software

Our goal is to leverage this enthusiasm to teach kids how to code while playing Minecraft. After all, game playing is the most natural way for humans to learn. The research is an outgrowth of our TouchDevelop program, which we started in 2011 to teach people how to program and build apps using the touchscreen on their phones. These devices are much more powerful, graphic and sensor rich computers than those we learned to code on as kids.
