**A Global Perspective of Aquaculture  
in the New Millennium**

The chapters are presented in pairs which offer Middle Eastern (and in one case South Asian) points of view which are matched by Southeast Asian perspectives on each of the six topics. While the media is quick to report on the more violent expressions of Islam, including terrorism, the vigorous debates, which now characterize the intellectual discourse in Muslim communities, are rarely if ever ...

**Project MUSE - Islamic Perspectives  
on the New Millennium**

The chapter argues that India's recent scorecard in leading indigenous and innovative peace discourses onto the global template is not impressive despite the rich legacy of peace ideas and values including those of Mahatma Gandhi and Jawaharlal Nehru. It also highlights the growing inclusion of the issues of justice and structural violence embedded in the existing political

**Exploring Indian Peace Perspectives  
in the New Millennium ...**

The early years of the twenty-first century have been characterized by a sense of widespread anxiety and fear because of the violent activities of groups of terrorists who claim they act in the name of Islam. Their acts of terrorism, viewed by a majority in the Muslim world as crimes which must be subject to the law, are in tragic contrast to the efforts of many Muslim intellectuals who have ...
