Power Sharing and International Mediation in Ethnic Conflicts

Can power sharing prevent violent ethnic conflict? And if so, how can the international community best promote that outcome? In this concise volume, Timothy Sisk defines power sharing as practices and institutions that result in broad-based governing coalitions generally inclusive of all major ethnic groups. He identifies the principal approaches to power sharing, including autonomy ...

Power Sharing and International Mediation in Ethnic ...

Although power sharing normally evolves out of internal processes, the international community has often promoted power sharing in response to ethnic conflicts, with some successes and some failures. Rarely, however, is the international community informed by the leading contemporary scholarship on power sharing.

Read PDF Power Sharing And International Mediation In Ethnic Conflicts

Power-Sharing Executives offers prescriptions for policymakers facing the challenges of mediating peace in a postconflict society and sheds light on the wider study of peace promotion.

The international mediation of power-sharing settlements

...

We argue that mediators draw from four different perspectives in their support of power-sharing settlements: international law, regional and internal security, democracy and minority rights, and a technical approach where mediators focus on the mechanics of power-sharing designs.
