### Southern Africa South Africa Namibia

Namibia (/ n ə ' m ɪ b i ə / (), / n æ '-/), officially the Republic of Namibia, and known historically as South West Africa, is a country in Southern Africa. Its western border is the Atlantic Ocean; it shares land borders with Zambia and Angola to the north, Botswana to the east and South Africa to the south and east. Although it does not border Zimbabwe, less than 200 metres (660 feet ...

### Namibia - Wikipedia

Bordering on South Africa, Namibia's southern region has a lot to offer in terms of wild desert landscapes and outdoors activities, from canoeing on the Orange River through the other-worldly desert scenery of the |Ai-|Ais/Richtersveld Transfrontier Park to the jaw-dropping majesty of the Fish River Canyon, Africa's largest canyon. Southern Namibia may not be a prime safari destination but what it lacks in famous wildlife it makes up for in sublime desert scenery: sandy plains dotted ...

### Southern Namibia | Everything to know | Discover Africa ...

The interior of Southern Africa consists of a series of undulating plateaus that cover most of South Africa, Namibia, and Botswana and extend into central Angola. Contiguous with this are uplands in Zambia and Zimbabwe. Coastal mountains and escarpments, flanking the high ground, are found in northern Mozambique, South Africa, Namibia, Angola, and along the Mozambique-Zimbabwe border.

### Southern Africa | History, Countries, Map, Population ...

The Kalahari is a massive swath of desert land in Southern Africa and occupies much of Namibia and Botswana. Here rust-colored sand stains the earth and vegetation dots the horizon making for a gorgeously colored landscape. As beautiful it may be in the evening, it can become unbearably hot during midday.
