How The Quest For Personal Mastery Touches On Positive Affirmations. I'm currently taking a course called The Quest For Personal Mastery. It's offered through Mindvalley and created by Srikumar Rao. I'm on day 25 of 45, and it's been one of the most thought-provoking courses I've taken from Mindvalley. So far, the lessons have taught me about going with the flow in life, how to be happier and more fulfilled, and how to not be taken down by setbacks or upsets.

The quest for mastery: Positive youth development through out-of-school programs. Cambridge, MA: Harvard Education Press. With low graduation rates affecting many communities, afterschool programs serving at-risk youth look for ways to close achievement gaps and level the playing field for all youth. Intrator and Siegel investigated how teaching

The Quest for Mastery - National Institute on Out-of ...

In The Quest for Mastery: Positive Youth Development Through Out-of-School Programs, the authors, who once believed that schools were the "fulcrum that could lift the academic achievement of young people" (p. 26), discuss how their ten-year foray into developing an afterschool sports program shifted their understanding of what determines educational achievement. They describe how this shift inspired their exploration of the unique opportunity that out-of-school programs hold for young ...
