XR750 Single Cylinder Petrol Engine | Briggs & Stratton

The XR-750 Harley-Davidson flat track race bikes with the Iron Head engine raced in the 1970-1971 season. They were reasonably successful when the conditions were cool and the races were on the short side but were not competitive when conditions were hot and/or the races were long.

The Harley-Davidson XR-750 - What You Need To Know (A ...

This 1970 XR 750 is one of the 100 that survived the factory and one of the possibly 60 left in existence according to the literature. This Harley Davidson XR 750 engine was found in a barn find situation many years ago in Southern California.

Harley Davidson Xr 750 motorcycles for sale

It is the first year of the alloy-head XR750 engine, and carries nearly 50 years of race patina on its simple orange bodywork. The fiberglass tank is uncoated and unlined, and therefore is likely unfit for use. The seller says that, despite its long slumber, the bike shows every sign that it would fire and run with minimal work.

Featured Listing: 1972 Harley-Davidson XR750 - Rare ...

Introduced in 1970 in response to rules changes and the rising threat of British and Japanese competitors, the Harley-Davidson XR750 is the highest winning motorcycle in AMA Grand National Championship history, and the legendary flat tracker is still raced today.

1972 Harley-Davidson XR750 | S207 | Las Vegas 2020

The biggest cliché in motorcycle journalism is the ‘listicle’ of the best-looking bikes ever made.. If we ever run out of ideas and succumb at EXIF, you can guarantee that the Harley-Davidson XR750 flat tracker will be in our list. And we’d lament that it was never street legal.

Street tracker gold: building a road-legal Harley XR750 ...

The flathead-powered Harley KR750, first produced in 1953, was a purpose-built motorcycle to compete in mile, half-mile, and TT racing venues. The KR was powered by Harley's 750cc flathead engine. In 1934, the American Motorcycle Association (A.M.A.) set up rules to have fair and equal competition for all manufacturers, much like today's NASCAR.

Harley XR750 - Classic Motorcycle Build

The Harley Davidson XR750 is a legend in dirt-track racing, the winningest bike in AMA racing history. It's also well known for being the bike of choice of the quintessential stunt rider, Evel Knievel. Knievel used the bike from 1970 to 1977 - Harley Davidson stopped sponsoring the daredevil after he was convicted of assaulting...
